

Algebra and Join Minimization

John Clara, Danyang Zhang

Winter 2016.

Example 1

What are all the books by the person who wrote "Twilight"?

Example 1

What are all the books by the person who wrote "Twilight"?

```
SELECT b1.title  
FROM Book b1, Book b2, Book b3  
WHERE b1.author = b2.author AND  
b3.author = b2.author AND  
b3.title = "Twilight";
```

Example 1

What are all the books by the person who wrote "twilight"?

```
SELECT b1.title  
FROM Book b1, Book b2, Book b3  
WHERE b1.author = b2.author AND  
b3.author = b2.author AND  
b3.title = "Twilight";
```

	title	author
b1	d	a
b2	-	a
b3	"Twilight"	a

Example 1

What are all the books by the person who wrote "twilight"?

	title	author
b1	d	a
b2	-	a
b3	"Twilight"	a

	title	author
	d	a
	"Twilight"	a

Example 1

What are all the books by the person who wrote "twilight"?

	title	author
	d	a
	"twilight"	a

```
SELECT b1.title  
FROM Book b1, Book b2  
WHERE b1.author = b2.author AND  
b2.title = "Twilight";
```
